EDUCATION

2022 - 2026

IFET COLLEGE OF ENGINEERING

- B.E -COMPUTER SCIENCE
- CGPA :8.00

2021 - 2022

SELECTION MATRIC HR.SEC
SCHOOL

- HSC :79.5

SKILLS

- JAVA
- JAVASCRIPT
- MYSQL
- CSS3
- HTML5
- SPRING BOOT

CERTIFICATION

- Fundamentals of oops**
-NPTEL (Score:-64%)
- SQL Basics** :Hackerrank
- Technical Paper Presentation**
National Level Symposium
- IOT Using Python and Raspberry pi**
Workshop at IIT Madras

LANGUAGES

- English
- Tamil

PROFILE SUMMARY

Quick learner with a positive attitude, adaptable to new challenges, and committed to delivering quality work. Passionate and adaptable individual with hands-on experience in web development eager to expand expertise while continuously developing skills and driving career growth.

PROJECTS

Application For Reserving Meals in the Cafeteria

- Developed a dynamic web-based application using HTML, CSS, and JavaScript to automate the food ordering process in a cafeteria.
- The system features a dynamic menu, cart management, and order summary modules that allow users to select items, review their orders, and confirm purchases seamlessly.
- It includes a membership card feature for customers who purchase food for more than 30 consecutive days, encouraging customer loyalty

Real-Time Medicinal Plant Classification using Lightweight Deep Learning Models

- Developed an intelligent system for real-time medicinal plant identification using Python, TensorFlow, Keras, OpenCV, EfficientNet, MobileNet, and NumPy.
- The system captures live camera input and classifies plant species with high accuracy, highlighting matched results in green and unmatched in red.

INTERNSHIP

CLOUD LOGIC

- Worked as a Web Development Intern focusing on building responsive and user-friendly web applications. Gained hands-on experience in designing and developing dynamic web pages using HTML, CSS, JavaScript, and Bootstrap

MACX TECHNOLOGIES

- Worked as a Software Testing Intern focusing on manual and automation testing practices. Performed functional, regression, and system testing to ensure product reliability and performance.
